Shri V. C. Kotwal with Shri S. G. Surana for respondent.

Coram : R. G. Sindhakar, J.

Dated, 10th February, 1992.

Judgment.

The unsuccessful candidate has filed this petition against the respondent who has been declared elected from the 46th Sangli Parliamentary Constituency, the results of which were declared on 12th of June, 1991. The challenge is under section 100(1)(iv) of the Representation of Peoples Act, 1951, hereinafter referred to as the said Act. According to the petitioner the returning officer has violated the provisions of the said Act, Rules and Orders pertaining to the election. He further states that as a result of the said violation, results of the election have been materially affected and have to be set aside.

2. The notification was issued on 19th of April, 1991 by the returning officer of the Sangli Parliamentary Constituency and he notified the date of election to the house of people in that constituency. Nomination papers were to be submitted not later than 26th April, 1991. As a result of death of Prime Minister Rajiv Gandhi actual date of election which was scheduled to be held on 23rd May, 1991 was postponed to 12th June, 1991 by another notification dated 22nd May, 1991. It is not necessary to refer to them in greater details. Suffice it to say that the petitioner submitted in all four nomination papers on or before the due date. Two of them mentioned that he was set up by Samajwadi Janata Party, one mentions that he was set up by Janata and the other mentions that he was set up by Janata Dal. In all these nomination papers he asked for the symbol Haldhar within Wheel. The Returning Officer however did not allot him the symbol which he asked for and he had, therefore, to take another symbol i.e. Shield with Swords and on that symbol as an independent candidate he contested the election and lost his election. It is his case that non-allotment of the symbol to which he was entitled i.e. Haldhar within Wheel, which is reserved symbol for the Janata Party, has materially affected the results of the election.

1157 GI/92-7

3. The respondent, successful candidate, filed his written statement denying the allegations made by the petitioner and raised several other contentions. Issues came to be framed and they are set out below together with my findings :

1. Whether the petitioner is liable to be dismissed for non-joinder of necessary parties or proper parties ? No.
2. Whether the petitioner is barred by law of limitation? No.
3. Does the petitioner prove that he was validly nominated by the Janata Party to which 'Haldhar within Wheel' symbol was allotted in the 46th Sangli Parliamentary Constituency ? No.
4. Does the petitioner further prove that he was entitled to that symbol ? No.
5. Whether the petitioner proves that he was wrongfully denied the symbol ? No.
6. Does the petitioner further prove that the result of the 46th Sangli Parliamentary Constituency has been materially affected on account of wrongful refusal to allot that symbol to him ? No.
7. Is the petitioner estopped by his conduct from challenging the allotment of the said symbol ? No.
8. Whether the petitioner has no cause of action ? As per Order.
9. Whether the petitioner is entitled to any relief ? If so, what order ? As per Order.

4. So far as the first issue is concerned, it was contended that for non-joinder of necessary party i.e. the Returning Officer, petition is liable to be dismissed. I do not find any merit whatsoever in this contention. It is only the successful party whose election is challenged who has to be joined as party to the proceedings under section 82 of the said Act. He has been joined. No allegations of impropriety have been made against the Returning Officer. All that has been alleged is violation of the provisions of law. In such circumstances it is not necessary to join the Returning Officer and in support of this the learned Counsel for the petitioner has relied upon the decision in Jagal Kishore Patnaik vs. Ratnakar Mohanty, AIR 1976 SC 2130. The second decision relied upon on this point is in K. T. Kosalam vs. Dr. Santhosham and Ors. AIR 1969 Madras 116. There the contention was that the petition was bad for non-joinder of the Returning Officer and the same was not accepted. It was held that the Act does not say that the Returning Officer is either a necessary party or a proper party in an appropriate case. Whenever there are allegations of bad faith, misconduct and impropriety and not merely illegality made against the Returning Officer in an election petition, the Returning Officer is a proper party, though not a necessary party. In proper cases, the Returning Officer may be a proper party to the election petition, even though section 82 of the Act does not make him a necessary party. Finding therefore on issue No. 1 is accordingly recorded.

5. So far as the bar of limitation is concerned I find that there is no merit in that contention either. The learned counsel appearing for the respondent also did not stress that point and addressed any arguments in that behalf. The results of the election were declared on 16th June, 1991 and the petition has been filed on 30th July, 1991. Therefore it has been filed within 45 days i.e. within the period of limitation.

6. The real controversy between the parties is about the allotment of the symbol. The petitioner's contention is that though he was a candidate validly nominated by the Janata Party to which the Haldhar within wheel symbol was allotted,

he was not given that symbol and made to fight his election on a different symbol that was allotted to him. The Gazette notification published in the Maharashtra Government Gazette dated 19th April, 1991 shows the symbols reserved in column No. 2 and names of the National Parties are mentioned in column No. 1 of Table I. For Janata Party the symbol 'Haldhar within wheel' (Chakra Haldhar) is shown to have been reserved. Petitioner's case therefore is that since he was validly nominated candidate of the Janata Party he should have been given that symbol and the point that therefore arises is whether he was a candidate set up by the Janata Party.

7. Clause 13 of the Election Symbols (Reservation and Allotment) Order, 1968, hereinafter referred to as the Symbol Allotment Order, reads thus :

"13. When a candidate shall be deemed to be set up by a political party :

For the purposes of this order a candidate shall be deemed to be set up by a political party if, and only if :

- (a) the candidate has made a declaration to that effect in his nomination paper ;
- (b) a notice in writing to that effect has, not later than 3 p.m. on the last day of withdrawal of candidatures, been delivered to the returning officer of the constituency ; and
- (c) the said notice is signed by the president, the secretary or any other office-bearer of the party and the president, secretary, or such other office-bearer is authorised by the party to send such notice and the name and specimen signature of the president, the secretary or such other office-bearer are communicated in advance to the returning officer of the constituency and to the Chief Electoral Officer of the State."

It is clear from clause 13 referred to above that a candidate shall be deemed to be set up by a political party if and only if he fulfils the conditions of the said clause. The petitioner relies upon two forms Exhibits G and H and a letter Exh. J in support of this. On the same day on which the Gazette Notification was published on 19th April, 1991 to which I have made a reference above and which is marked as Exhibit 1, the President of the Janata Party wrote a letter to the Chief Electoral Officer, Maharashtra, Bombay and sent to him Form A signed by Shri Om Prakash Chautala who was authorised by his party to send the notice under Paragraph 13 of the Election Symbols (Reservation and Allotment) Order, 1968 for the purpose of ensuing elections to the House of people and State Legislative Assemblies, except for the States of Bihar and Uttar Pradesh. A request was also made to transmit the same to the respective Returning Officers of the State. Accompanying this letter is a form A and it bears the specimen signature of Om Prakash Chautala as authorised person. In Form H, Shri Om Prakash Chautala informs the Returning Officer for 46th Sangli Parliamentary Constituency the name of the petitioner and he sends the same alongwith a letter which is marked Exh. G. The Form H mentions the name of the present petitioner as the name of the approved candidate for the 46th Assembly Constituency. This purports to have been signed by Om Prakash Chautala. The point that arises for consideration is whether this was in compliance with the provisions of clause (b) of section 13 of the Symbol Allotment Order.

8. The contention raised on behalf of the respondent is that as per the provisions of clause (b) of section 13 a notice in writing to that effect has to reach not later than 3 p.m. on the last day of withdrawal of candidatures. There is no signature of receipt on either Exhibit G or Exhibit H. Therefore a receipt has been produced at Exh. 4 to show that it was delivered on 29th April, 1991 by Aval Karkun to Returning Officer. No time for the receipt of this is mentioned. It also does not bear the stamp of the Returning Officer or Aval Karkun to the Returning Officer. Therefore submission was that the documentary evidence by itself does not show that it was delivered in the office of the Returning Officer before 3 p.m.

on 29th April, 1991. It is not necessary to state that that on a different symbol that was allotted to him. The Gazette Therefore, one has to fall back upon other evidence to see whether this was delivered before 3 p.m. on 29-4-1991. The petitioner admits that it is his agent who delivered this in the office of the Returning Officer. In paragraph 3 of his deposition he states as under :

"On 29th April, 1991 I gave the party's authorisation in Form A and B."

In the course of cross-examination he admits that on 29th April, 1991 he had gone to the office of the Returning Officer after 3 p.m. In the course of his evidence he found it difficult to then substantiate his contention that he had delivered it before 3 p.m. on the same day. Therefore in paragraph 19 of his evidence he makes out a case that :

"It was on 29th April, 1991 that I lodged Form A and B with the Returning Officer. I do not admit that the Form A and B was lodged after 3 p.m. on 29-4-1991. My election agent R. S. Pol has lodged it."

R. S. Pol has not been examined in support of his contention. The petitioner has in the course of his petition which he filed mentioned in para 9 to this effect which reads thus :

"The petitioner submits that the allotment of symbol is due on the basis of forms A and B under para 13 of Election Symbols (Reservation and Allotment) Order, 1968. The petitioner states that the nomination form was accompanied by the authorisation in forms A and B duly signed by the Secretary General of the Janata Party Shri Om Prakash Chautala. Therefore he was entitled to the said symbol 'Haldhar with n wheel'".

Therefore he came out with a case at the time of filing of the petition that forms A and B were submitted along with the nomination papers. At the time of his examination-in-chief he came out with a case that he had lodged the forms A and B with the Returning Officer. At the time of cross-examination he had to concede that he did not do it but his election agent Shri Pol did it. He failed to examine Shri Pol in support. The document produced as receipt does not bear time at which it was produced nor does it bear necessary stamp of the Returning Officer. It has to be noted that the petitioner examined one Shri Bhokare from the Office of the Returning Officer. He is of the rank of Aval Karkun. He was shown this Exhibit G which is from A. He says that at the top there is a reference to para 13(c) of the Election Symbol Reservation and Allotment order, 1968. According to him it was received in their office but that he will not be able to tell when it was received in their office. There is no stamp and, therefore, he cannot say the time and date when it was received. Lastly he says that because it was in his file he says that it was received in their office. Therefore he is also not able to say that it was received on 29-4-1991 and that too before 3 p.m. the time by which it ought to have been received by the Returning Officer under clause (b) of section 13 of the Symbol Allotment Order. In the circumstances I find that clause (b) of section 13 of the Symbol Allotment Order is not complied with

9. Coming to clause (a) of section 13 of the said Symbol Allotment Order, it has to be noted that the petitioner had submitted in all four nomination forms C D E F. It is permissible for a candidate to submit more than one form but not exceeding four in number. What was done by the petitioner is rather peculiar. He submitted form C stating where in that he has been set up as a candidate by 'Janata Dal' though he claimed same symbol Haldhar within wheel as his choice. Form D states that he was set up by 'Samajwadi Janata Party' and asked for the same symbol Haldhar within wheel. In the third form E he mentioned that he was set up by 'Janata' and asked for the same symbol. The last form F is submitted mentioning that he was set up by 'Samajwadi Janata' and asked for same symbol Haldhar within wheel. It is already seen that the Gazette Notification dated 19-4-1991 mentions 4 different parties i.e. Janata Dal Janata Party, Lok Dal and lastly Janata

Dal (Samajwadi). Four different symbols were reserved for these four parties. Therefore for Janata Dal he could not have asked for the symbol Haldhar within wheel, for Janata Dal (Samajwadi) he could not have asked for the said symbol. It is only for Janata Party he could have asked for that symbol, i.e., Haldhar within Wheel as it was reserved for that party. By filing four nomination papers two of them on the ground that he was set up by Samajwadi Janata Dal and one of them that he was set up by Janata Dal and fourth that he was set up by Janata. He has created enough confusion for himself apart from that which must have been caused to the Returning Officer. The petitioner himself does not appear to be sure as to by which party he was set up as a candidate. Now the argument advanced on behalf of the petitioner is that he has in one form, i.e., Exhibit E stated that he has been set up by Janata Party. As already pointed out that what is stated there was that he has been set up by 'Janata'. The word 'party' is clearly missing. The learned counsel for the petitioner stated that the word 'Janata' is followed by printed word 'pakshane'. **He therefore submits that it was not necessary to mention that word 'party' over again before the word 'pakshane'.** It is true that the translation of the word 'pakshane' could be 'party' but it is difficult to insert that word 'party' thereafter the word 'Janata' as urged on behalf of the petitioner. I have already stated that the Gazette Notification clearly shows that the name of the party to which Haldhar within wheel is allotted to Janata Party and not only Janta. Besides this there is another party known as Janata Dal and that is a recognised National Party and for which another symbol has been reserved. Therefore one does not know whether the petitioner wants to add the word 'Dal' there or 'party' after the word 'Janata'. In view of the fact that he has also chosen to state in one more form that he has been set up by Janata Dal, this possibility of intending to write the word 'Dal' thereafter Janata cannot be ruled out. He does not give any explanation for that in the evidence. Besides, this as already stated earlier, he has also stated in two other applications that he has been set up by Samajwadi Janata. Therefore it is not possible for the Returning Officer to deduce therefrom that he was set up by **Janata Party and therefore entitled to the symbol Haldhar within Wheel, reserved for that party.** Therefore in my opinion clause (a) of section 13 of the Symbol Allotment Order is also not complied with.

10. The learned counsel appearing for the respondent also referred to rule 5 of the Conduct of Election Rules, 1961. He submits that under sub-clause (2) of rule 5, where at any such election, more nomination papers than one are delivered by or on behalf of a candidate, the declaration as to symbols made in the nomination papers first delivered, and no other declaration as to symbols, shall be taken into consideration under rule 10 even if that nomination paper has been rejected. He submits therefore the first nomination paper mentioned **Janata Dal** and therefore he was not entitled to the symbol not reserved for Janata Dal. I am unable to accept this line of argument. This relates to symbol and the symbol that was asked for was Haldhar within Wheel in all four nomination papers including the first. Therefore the argument advanced is not plausible. Be that as it may be as I pointed out that there is no material on record to show that there was mention in his nomination papers that he was set up by Janata Party and therefore entitled to the symbol is not correct. It is not necessary to state that the candidate is not set up by a National Political Party for which the symbol is reserved and is not entitled to the symbol, if not set up by that party.

11. Petitioner then states that he insisted upon the allotment of that symbol at the time of allotment of symbols and made an application to that effect which is at Exhibit K. That makes matter more confusing. He states that he submitted nomination papers on 25-4-1991 and they are four in number. He further states that "Our party is new and therefore we filed two nomination papers for Samajwadi Janata. He then states that two nomination papers have been filed for Janata. He then went on stating that he has received A.B. forms through Janata Paksh and they have been produced in time and they have been after scrutiny excepted and therefore he should be given the symbol men-

tioned in forms A & B. In fact in the forms Ext. A and B there is no mention about the symbol. It only mentions the name of the authorised person to form G and the name of the candidate set up. Apart from that I find that the petitioner has not succeeded in establishing that he mentioned in his nomination forms that he was a candidate set up by Janata Party which was a recognised National Party and to which the symbol Haldhar within Wheel was allotted.

12. It was urged on behalf of the petitioner that when such words came to be mentioned by candidate in other constituency, same was accepted by the Returning Officer. I do not think that it has much relevance for the purpose of determining the issue in this petition. The petitioner in form K as an agenda mentioned that in case he was not able to get the symbol Haldhar within wheel, then he may be given the symbol of shield and swords. That was allotted to him and this was communicated to him immediately thereafter. Therefore it appears that he also in the alternative asked for other symbol and that was given to him.

13. Under clause 3 of section 8 of the Allotment of Symbol Order, a reserved symbol shall not be chosen by, or allotted to any candidate in any constituency other than a candidate set up by a National Party for whom such symbol has been reserved or a candidate set up by a State Party for whom such symbol has been reserved in the State in which it is a State Party even if no candidate has been set up by such National or State Party in that constituency. Therefore considering from that point of view also the petitioner was not entitled to that symbol Haldhar within Wheel reserved for the Janata Party, a National Party, and could not have been given to him. Realising this he asked for another alternative symbol and which was given to him. He contested election on that symbol, as an independent candidate. He made no grievance about non-allotment of the symbol to which he was entitled. He neither informed his party leaders who had set him up nor did he complain to the Election Commissioner about it. This conduct on the part of the petitioner in my opinion clearly goes to show that he was aware of the fact that he was not entitled to that symbol. Haldhar within Wheel. In my opinion he could be said to have been estopped from now contending that he was entitled to that symbol and should have been given. Issue No. 7 is therefore accordingly answered.

14. The challenge by the petitioner is under section 100(d)(iv) of the said Act. Section 100 enumerates the grounds for declaring the election to be void. Clause (d) which is one of the grounds states that :

- "(d) that the result of the election in so far as it concerns a returned candidate, has been materially affected :
- (i)
- (ii)
- (iii)
- (iv) by any non-compliance with the provisions of the Constitution or of this Act or of any rules or orders made under this Act."

Therefore the petitioner wants to contend that there has been non-compliance or violation of the provisions of the Act, or Rules or Orders made under the Act.

15. The learned counsel for the petitioner relied upon a decision of the Supreme Court in AIR 1982 SC 1559—*Rao Lal Sathi vs. Nachhattar Singh*. In that case it was held that :

"The Symbols order made by the Election Commission in exercise of the power under Art. 324 of the Constitution of India read with Rt. 5 and 10 of the Conduct of Election Rules and all other powers enabling it in that behalf, are in the nature of general directions issued by the Election Commission to regulate the mode of allotment of symbols to the contesting candidates. It is a matter of common knowledge that elections in our country are fought

on the basis of symbols. It must but logically follow as a necessary corollary that the Symbols order is an order made under the Act. Therefore, any breach of para 13 or 18 of the Symbols Orders amounts to non-compliance with the provisions of the Constitution, or the Act, or any orders made under the Act and therefore the change of allotment of symbols by the Returning Officer in compliance with the directions of the Election Commission was a matter which fell within the purview of S. 100 (1)(d)(iv) of the Act."

It is true that if the petitioner had succeeded in establishing that he was entitled to that symbol Halldhar within Wheel and that he was wrongly denied that, then non-compliance could have been held and it would have come within the mischief of section 100(d)(iv) of the Act. However, as I have not accepted the petitioner's case on the point, in my opinion there is no non-compliance with the provisions of the Symbols Orders or Election Rules or any of the provisions of the Act, much less Constitution of India.

16. Even if non-compliance was held established the point is whether the petitioner would have succeeded in getting the relief which he has asked for. In this connection words in the clause (d) of section 100 of the Act have to be noted and it states that "that the result of the election, in so far as it concerns a returned candidate, has been materially affected" (underlining is mine) by any non-compliance with the provisions of the constitution or of this Act or of any rules or Orders made under this Act". Unless this latter aspect is established the petitioner could not have succeeded. In this connection the learned counsel for the respondent relied upon a decision in the case of Smt. Lata Devi (Mali) vs. Haru Rajwar, AIR 1990 S.C. 19. After referring to several earlier judgments in the field, the Supreme Court observed as under :

"The party who wishes to get an election declared void has to establish by satisfactory evidence that the result of the poll had in fact been materially affected by the violation of Rule 10(5) of the Rules. For doing this, it has to be demonstrated that the votes would have been defected in such a way that the returned candidate would have been unsuccessful. In the instant case there was no evidence to demonstrate the returned candidate having derived any benefit from the change of symbol of the election petitioner. Contesting candidate to whom the 'bow and arrow' symbol was later allotted, was not the successful candidate. The election petitioner was required to show that such number of votes had gone in favour of the petitioner, simply because of the change of symbol as would, without that number of votes, make the successful candidate unsuccessful. The petitioner, besides making bare statement, had not produced any other satisfactory evidence in support of such a proposition. Therefore it cannot be said that the result of the election, in so far as it concerned the returned candidate was materially affected. The violation of sub-rule (5) of rule 10 or per se will not invalidate the election. The elec-

tion petitioner has also to prove that the result of the election, in so far as it concerns the returned candidate, was materially affected."

That was a case in which the symbol allotted to the petitioner was withdrawn and given to another candidate. The petitioner made grievance for this and he failed in getting the election set aside on the ground that he had not discharged the burden that lay upon him to show that the result of the concerned returned candidate was materially affected by the change of symbol. The observations of Justice Hidayatullah in S. N. Balakrishna vs. Fernandes AIR 1969 SC 1201 have been quoted :

"In our opinion the matter cannot be considered on possibility. Vashist Narain's case insists on proof. If the margin of votes was small something might be made of the points mentioned by Mr. Jethmalani. But the margin is larger and the number of votes earned by the remaining candidates also sufficiently huge. There is no room, therefore, for a reasonable judicial guess. The law requires proof. How far that proof should go or what it should contain is not provided by the legislature. In Vashist's case (1955) 1 SCR 509; AIR 1954 SC 513, and in Innayatullah v. Diwanchand Mahajan, (1958) 15 Ele. L.R. 219 at pp. 235-236 (Madh. Pra.) the provision was held to prescribe an impossible burden. The law has however remained as before. We are bound by the rulings of this Court and must say that the burden has not been successfully discharged. We cannot overlook the rulings of this Court and follow the English rulings cited to us".

Therefore it is clear that the petitioner has in addition not to only show non-compliance of the provisions of law but also must show that it has materially affected the result of the concerned candidate. In this connection reference will have to be made to the evidence given by the petitioner. The petitioner has not said a word about this aspect of the matter in his evidence and this is a surprising part. Petitioner, however, in the course of evidence admitted certain facts. He stated that the respondent has been elected in three successive occasions from the same constituency. It is true that he has won over his nearest rival by a margin of over lakh of votes. In this particular election the petitioner secured 2448 votes and the respondent secured 3,13,906 votes. The nearest rival candidate of the successful candidate was Shri Lad who secured 1,06,226 votes and the candidate who secured third rank secured 49,025 votes. It is stated in the evidence that this constituency is the strong hold of the Congress(I) party on which ticket the respondent contested the election and succeeded. It is therefore difficult to hold that the result of the successful candidate in the election under challenge has been materially affected, as a result of non-compliance of any provisions of the Act, Rules and/or Orders. Thus finding on issue No. 6 is accordingly recorded.

17. In the circumstances aforesaid, issues Nos. 7, 8 and 9 will have to be answered in the negative. Hence the petitioner is not entitled to any reliefs asked for in the petition. Therefore the petition is liable to be dismissed. Hence dismissed with costs.
